

SWATI SONAWANE

Full-Stack Developer | Software Developer

+91-7666967891 | swatikamlakar2005@gmail.com | Maharashtra, India | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Full-Stack Developer with 1+ year of professional experience delivering production web applications with **React.js, Node.js, Express.js, MongoDB, and REST APIs**. Proven ability to build role-based platforms, automate business workflows (accounting, inventory, billing, certification), and ship responsive, performance-optimized interfaces. Solid foundation in Data Structures and Algorithms, OOP, DBMS, and Operating Systems; ranked 10th in CSE branch.

TECHNICAL SKILLS

Programming Languages: JavaScript, C++, C

Frontend: React.js, HTML5, CSS3, Material UI, Bootstrap, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Databases: MongoDB, Firebase, Sanity.io

Version Control: Git, GitHub

Tools: Postman, Netlify, Firebase Cloud Messaging (FCM)

Core CS: Data Structures and Algorithms, OOP, DBMS, Operating Systems, Computer Networks

EXPERIENCE

Junior Full-Stack Developer | Technowait | Jalgaon, India | Jan 2025 – Present

- Delivered production features in **React.js and JavaScript** across dashboards, navigation, e-learning modules, and e-commerce product-management workflows.
- Connected frontends to backend **REST APIs**, implementing data retrieval, form submission, and validation to keep application data accurate and reliable.
- Engineered reusable, responsive **React components** with Styled Components, speeding up development across multiple application modules.
- Optimized rendering with **useMemo** and **useCallback**, eliminating unnecessary re-renders and improving UI responsiveness.
- Partnered with the team on UI development, API integration, and data verification to deliver features end to end.

PROJECTS

Prashant Publications | React.js, Node.js, Express.js, MongoDB, Material UI

- Built a subscription and package management system for **libraries and colleges** handling books, packages, customers, and orders.
- Developed **REST APIs** and admin interfaces to manage large book and package datasets efficiently.
- Automated **PDF generation of quotations and bills**, replacing manual document preparation.

Swachh Polymers | React.js, Material UI

- Launched a responsive corporate website for a plastic recycling company, presenting solutions, products, quality standards, and sustainability initiatives.

Centralized Digital Internship Platform | React.js, Node.js, Express.js, MongoDB, Material UI, Git, Postman

- Architected a role-based platform connecting **students, mentors, and administrators** to manage the full internship lifecycle in one system.
- Built end-to-end workflows for applications, projects, tasks, milestones, work logs, and progress monitoring.
- Automated rubric-based assessment, credit calculation, and **digital certificate generation**, removing manual evaluation effort.

Accounting & Inventory Management ERP | React.js, Firebase, HTML5, CSS3, Material UI, Stripe

- Designed an ERP covering companies, chart of accounts, parties, products, vouchers, transactions, and stock movements.
- Automated Purchase and Sales flows to generate **inventory IN/OUT entries and double-entry accounting records**, keeping stock and books consistent.
- Created management interfaces that unify accounting, inventory, and transaction tracking.

EDUCATION

B.Tech. in Computer Science and Engineering | DBATU University of Engineering and Technology | 2023 – Present | CGPA: 8.0

Higher Secondary Education | State Board of Secondary Education | 2022 | 65%

Secondary School Certificate (SSC) | Maharashtra State Board | 2022 | 92.80%

CERTIFICATIONS

- MERN Stack Course** | Technowait

ACHIEVEMENTS

- Secured **10th rank in the CSE branch** with an 8.214 GPA through the 6th semester.
- Developed **18+ personal projects** in frontend and backend web development.
- Solved **250+ coding problems** across coding platforms.
